

Workshop on Biomass Sustainability in Ukraine

→ *production, -> assessment, -> certification, -> markets*

May 25–26, 2010
Kyiv, Ukraine

Location: Hotel “Ukraine”
4 Institutska Str., Kyiv, 01001, Ukraine
+38044 278 2804 +38044 279 0347
<http://www.ukraine-hotel.kiev.ua/eng/home/>

Conference-hall - 2nd floor, Restaurant (coffee-break, lunch) - 1st floor

Objective of the workshop: Training Ukraine government and institutes in setting up a system for sustainability certification of biomass and biofuels and realising sustainable production.

Introduction: This Workshop is carried out in the framework of the G2G project between Netherlands and Ukraine on Biomass and Biofuels and also the Sustainable Biomass Import program, where 2 projects are financially supported by NL Agency to realise sustainable import chains to the Netherlands. See: <http://www.senternovem.nl/sustainablebiomass-import/index.asp> (click on projects). A new call is open now and will close on 05.08.2010 with a budget of about 4 M€.

This workshop is a follow up of the workshop in the Netherlands between 6–7 April 2010 where a delegation of 7 representatives from Ukraine were trained in Biofuels policy, financing, standards, sustainability and certification.

This workshop will be organised in consultation with FnR, from Germany, who are organising a workshop on 29 April 2010, on the German standards and certification procedures for biofuels, that are in force by 1st July 2010 in Germany.

This workshop is carried out in the framework of the project: G2G08UA03, financed by the Dutch Ministry of Economy and carried out by NL Agency, Energy and Climate Change.

This workshop is organised jointly by NL Agency from the Netherlands and Ministry of Agrarian Policy of Ukraine.

Seminar is conducted in English and Ukrainian, simultaneous translation will be provided.

Program

Tuesday 25 May, 2010

Time	Subject	Name
10:00	Welcome speeches	Mr. Mykola Prysiashniuk , Minister of Agrarian Policy of Ukraine Mr. Hryhorii Kaletnik , Head of Committee on Agrarian Policy and Land Relations of Ukraine's Parliament (Verkhovna Rada)
10:15	Introduction to workshop program	Mr. Kees Kwant, NL Agency
10:30	Ukraine's biofuels program	Mr. Mykola Datsenko, Ministry of Agrarian Policy of Ukraine
11:00	<i>Coffee-break</i>	
11:30	Biomass and Biofuel standards in the EU	Mr. Jarno Dakhorst, NEN
12:00	Biomass standards in Ukraine	Mr. V.A. Voitov, Kharkiv Technical University (Ukraine), vice-chancellor, professor Mr. S.G. Okhapkin, Sevastopol Laboratory №1 (Ukraine), Director
12:30	How to use existing sustainability standards in certification?	Ms. Jolanda van Schaik, CREM
13:00	Discussion: what standards need further elaboration?	
13:30	<i>Lunch</i>	
14:30	Certification procedures in Ukraine	Mr. Volodymyr Kravchuck, Ukrainian Institute for Testing Technologies for Agricultural Production
15:00	Certification procedure in NTA 8081 and the EU	Mr. Jarno Dakhorst, NEN
15:30	Certification procedure in ISCC	Kateryna Kutsenko, MEO, Germany
16:00	<i>Coffee-break</i>	
16:30	Discussion on roadmap to implement certification in Ukraine	Mr. Mykola Datsenko, Ministry of Agrarian Policy of Ukraine Mr. Kees Kwant, NL Agency
17:30	Closure	

Wednesday 26 May, 2010

<i>Time</i>	<i>Subject</i>	<i>Name</i>
9:00	Opening, conclusion from the previous day	Mr. Mykola Datsenko, Ministry of Agrarian Policy of Ukraine Mr. Kees Kwant, NL Agency
9:30	Sustainable forestry	Mr. O.D. Prystaya, Mr.V.F. Romanovsky, State Forestry Committee of Ukraine
10:00	Forestry Sustainable Certification (FSC)	Mr. Pavlo Kravets, FSC Ukraine
10:30	Sustainable wood pellets	Mr. Ye.I. Glushko, Eco-Gran LLC (Ukraine), Director
11:00	Coffee-break	
11:30	Sustainable wood pellets for export to the Netherlands	Ms. Alisa van den Nagel Mr. Gyevorg Gabrielyan
12:00	Sustainable vegetable oil	Mr. S.P. Kapshuk, "Oliyaprom" (Ukraine), Head of Board Mr. S.T. Oliynichuk, Research Institute on Alcohol Products (Ukraine)
12:30	Sustainable oil trading	Mr. Wim van den Elshout, CEO Sustainable Trading Company
13:00	Making sustainable pellets from reed, straw and switchgrass	Mr. Wolter Elbersen / Ronald Poppens - F&BR
13:30	Lunch	
14:30	Sourcing reed for energy, a public/private collaboration	Mr. Loic Lermينياux, Phytofuels Mr. V.Ye. Knyzh, Semenivka District State Administration (Ukraine)
15:00	Workshop Specific Sustainability questions:	
15:00	Sustainable agricultural production on fertile soils, how to keep soil quality, avoid loss of biodiversity etc.	Mr. A.S. Zarishnyak, Academician - Secretary of agricultural and agroecology department, National Academy of Agrarian Sciences of Ukraine
15:30	Green House Gas emissions in relation to environmental conditions and crop management	Mr. Jan Peter Lesschen, Alterra
16:00	Coffee-break	
16:30	Discussion on actions to realise sustainable production and export to EU of Ukraine biomass and biofuels	
17:30	Closure
